What benefits do employers have in companies, apart from their salaries?

Which jobs or industries have the best benefits in your country?

Think of one benefit which you don't have, but would like to have.

Which benefits are the most important for employees?

How often do you update your CV?

How should people dress for job interviews?

Where can people find job offers?

Have you ever recruited anyone?

What do you think about video CVs?

Is experience always important when you apply for a job?

What is more important: education or experience?

Where have you worked so far?

Would you like to work for a big organisation?

Would you like to live and work abroad?

How often do you visit English-speaking countries?

Have you ever had any problems with your boss?
